ReMARKable Palate #202: 2009 Summer Fancy Food Show

Show 202 is an audio recap of some of the people I met at the 55th Annual Summer Fancy Food Show in NY. I've been releasing my Quick Picks videos throughout the show, so be sure to look for them on the website at www.culinarymedianetwork.com, but this gave me a chance to speak with some people in depth. I learn about new European yogurt from Conrad Lowell, Portuguese influenced Indian food from Sharon Fernandez of Stonehouse 27 Spice Company, and dried mushrooms & chiles from Angie Padgett of Earthy Delights.
